

GABRIELLA AGNOLETTI

CURRICULUM VITAE

2011

Tel: 011- 3135541

E mail: gabriella.agnoletti@oirmsantanna,piemonte.it

- Data di nascita: 8.10.58 a Conegliano (Treviso), Italia.
- Diploma di maturità classica il 15.7.77 (voto: 60/60).
- Iscrizione all'Università di Padova, Facoltà di Medicina nel 1977.
- Internato presso la Divisione di Cardiologia dell'Università di Padova (primario Prof. S. Dalla Volta), dal 1980 al 1985.
- Laurea in Medicina e Chirurgia presso l'Università di Padova il 19 luglio 1983 (voto : 108/110), con una tesi intitolata: Comunicazione interatriale di tipo ostium primum et ostium secundum: valutazione clinica ed emodinamica in 30 pazienti (correlatore Dr. GM. Boffa).
- Abilitazione all'esercizio della professione di Medico Chirurgo nel 1983.
- Internato in qualità di specializzando in Cardiologia presso la Divisione di Cardiologia dell'Università di Brescia (primario Prof. O. Visioli) dal 1985 al 1987.
- Borsa di studio della Cattedra di Cardiologia dell'Università di Brescia in cardiologia sperimentale dal 1985 al 1987 sotto la supervisione del Prof. R. Ferrari.
- Borsa di studio (della durata di un anno) del British Council nel 1987.
- Iscrizione al General Medical Council di Londra nel 1987.
- Clinical Assistant presso il Cardiothoracic Institute, Università di Londra, Director Prof. Peter Harris, dal 1987 al 1988.
- Specializzazione in Cardiologia presso l'Università di Padova il 13 luglio 1987 (voto: 68/70), con una tesi intitolata: Rilascio di fattore natriuretico atriale dall'atrio di ratto in vitro (correlatore Prof. R. Ferrari).
- Assistente medico presso l'Ospedale dei Bambini di Brescia, Servizio di Cardiologia (primario Dr. Bianchetti), dal 15/12/1988 al 30/4/1995.
- Titolo di Philosophy Doctor (PhD) presso l'Università di Londra il 20 gennaio 1993, con una tesi intitolata: The endocrine response to cardiac disease: role of atrial natriuretic factor (Tutor: Prof. P. Harris, Supervisor: Prof. P. Poole Wilson, Examiners: Prof. D. Heath e Prof. A. Raine).
- Specialità in Pediatria presso l'Università di Brescia il 16 giugno 1994 (50/50 e lode), con una tesi intitolata: Cardio-tossicità precoce e tardiva delle antracicline in età pediatrica : valutazione non invasiva dello stato contrattile in 116 pazienti (correlatore Prof. A. Ugazio).
- Dirigente medico di I livello presso gli Ospedali Riuniti di Bergamo, Servizio di Cardiologia, sezione pediatrica, dal 1/5/1995 al 31/8/2001 (primario Dr. A. Casari, quindi Dr. A. Gavazzi).
- Iscrizione all'ordine dei Medici Francesi il 18.9.2001 e nomina di Specialista in Patologia Cardiovascolare il 10.10.2001.

- Praticien Hospitalier a tempo pieno a titolo provvisorio dal 1.9.2001 al 30.6.2003, in qualità di responsabile del Laboratorio di Emodinamica (Chef de Service Prof. D. Sidi).
- Nomina di Praticien Hospitalier a tempo pieno dal 1.7.03 presso l'ospedale Necker Enfants Malades, dove è stata responsabile del Laboratorio di Emodinamica sino al 30.3.2009.
- Dal 1.4.09 Direttore della Cardiologia presso il presidio ospedaliero O.I.R.M.
- Lingue parlate: Italiano, Inglese, Francese, basi di Spagnolo e di Tedesco.

ASSOCIAZIONI

- Membro dell'International Society for Heart Research dal 1988.
- Membro della Società Italiana di Cardiologia Pediatrica dal 1995.
- Membro della International Society for Invasive Cardiology in Congenital Heart Disease dal 2000.
- Membro dell' AEPC (Associazione Europea dei Pediatri Cardiologi) dal 2000.
- Membro della Society for Cardiac Angiography and Interventions dal 2002.
- Membro della Société Française de Cardiologia dal 2005.

ATTIVITA' DIDATTICA

Le attività di insegnamento si sono svolte presso le università di Brescia, Londra e Parigi.

- Dal 1987 al 1988, a Londra, partecipazione all'attività didattica del Heart and Lung Institute.
- Dal 1988 al 1995, a Brescia, corsi di cardiologia sperimentale e cardiologia pediatrica agli studenti di Medicina e Chirurgia e di Pediatria.
- Dal 1992 al 1995, a Brescia, corsi di cardiologia alle infermiere dei servizi di Cardiologia e Cardiochirurgia.
- Dal 2001, a Parigi, corsi di cardiologia pediatrica agli studenti di Pediatria e Cardiologia e partecipazione ai corsi del Diploma Universitario di Cardiologia Pediatrica dell'Università Paris Descartes.
- Dal 2009 docenza in cardiologia pediatrica per gli studenti di pediatria e cardiologia dell'università di Torino

PUBBLICAZIONI CITATE SU PUBMED

1985
